Notes for Academic Year 2025/26

This calendar shows the 195 days/39 weeks of the standard school year. This is 190 days of teaching children in school and 5 days of staff professional training. These dates are the same for both The Belfry and Worstead schools.

The North Star calendar aims to optimise children's education as far as possible through:

- Part-weeks of teaching minimised (to enhance curricular and extra-curricular provision)
- Term lengths made as even as possible (to improve energy for learning)
- Ends-of-term aligned with other schools where possible (to allow families to plan ahead)
- Highlighting KS2 SATs week in May (green highlighted; Y6 pupils cannot re-sit these if missed)
