be changed on a Wednesday

Physical Development:

Continue to develop our fine motor skills, including holding a pencil and cutting skills.
PE: Jumping, using our body to jump and land safely, jumping in different ways.

Communication and Language

- Talk about our feelings and recognise the feelings of others.
- Explain why different celebrations happen and how we celebrate them

Maths:

Subitising, counting, ordinality, and cardinality, composition and comparison of numbers.

Holly Class 2025/26 Autumn 2

Welcome back, this half term we will be looking at celebrations across the world; focusing on Diwali, Christmas and New Years celebrations. We will be learning about winter alongside the polar regions of the world.

Understanding the World:

- What happens during Autumn/Winter, what changes we might see.
- Polar regions, how it is different to where we live.
- Remembrance day

Expressive arts and design:

- Using natural resources we find during Autumn.
- Making Diwali patterns.
- Christmas designs

Literacy:

- Engage in story times, asking relevant questions about what they have heard.
- Attempt to write letters.
- Say the sounds they can hear in a word.

Phonics:

Phase 2 phonics from Little Wandle, single letter sounds.
Tricky words: is, I, the.

Personal, Social, Emotional:

- Rules and expectations
- Being kind
- Building positive relationships
