Tuesday 9th June 2026

Dear Parent/Carer,

Our year 1s and 4s as well as some year 2s are undertaking statutory assessments this week (multiplication tables and phonics screening checks) and I know they are doing a fantastic job, focussing well and working hard at them just as they do in class each day. Well done to all of them. Results of those will be published with children's annual reports next month.

School life moves on apace in the meantime. Holly class are off to the RNLI centre in Cromer on Thursday and sports day is scheduled for next Friday 19th. Please can all children attend in their PE kit with, if possible, a t-shirt the colour of their school house. This year, children will take part in activities in school in the morning as well as the afternoon. Afternoon activities will start around 1.15/1.30pm when family and friends are all welcome to watch and support on the playing field. As with previous years, if we finish a little early, you'll be able to take your child(ren) straight away. After school clubs will still be on so children are welcome to stay for those as normal.

Of course, the glorious half term weather has moved on, and we've been left with much more changeable conditions. We will review the forecast early/mid next week and will message if any of the plans change.

Also, next week we have circus performers visiting us on Wednesday. They will run workshops with all the year groups/classes and finish the day with a performance to the whole school. Many thanks for Mrs Lee for organising this. Fingers crossed the children don't start trying to spin your kitchen plates at home!

Have a fantastic week.

With kind regards

Steven Boast
